DEDICATION

Many years from now we will remember with great affection and respect a teacher who has done much for this school, and for our class in particular. We will remember an able teacher — one deeply and personally involved with a wide range of students and

activities. We will remember this teacher's dedication, fairness, understanding, and unfailing sense of humor.

With these qualities in mind, we, the Class of 1971, dedicate our yearbook to Mr. Donald F. Beurman.

GUIDANCE

In today's world the value of the guidance services cannot be overestimated. The counselors give expert advice to the students as they choose their courses during the high school years. The counselors also guide the seniors in their choice of and application to colleges, helping them to make their future secure. The office itself has an excellent supply of both college and vocational material. Along with this information, career and school conferences prove to be excellent resources for the students.

ANYTHING YOU WRITE MAY BE HELD AGAINST YOU ENGLISH

One of the most important skills is the ability to express oneself. The English Department provides excellent training in both oral and written communication. Theater Arts provides an opportunity to develop dramatic talent while Journalism and Creative Writing center on the aspect of written expression. Along the extracurricular line, the Harlequin, school literary magazine, and trips to films of general interest are enjoyable activities of the department.

IS NEW YORK REALLY NECESSARY?

A good citizen desires to participate actively in public life and to do so well, he must have a set of values consistent with the democratic creed. The aim of the Social Studies Department is to foster this concept of good citizenship. Students are required to participate in discussions which require the use of good judgement and logical thought while aiding in the

development of a high standard of values in accordance with our present-day society. The curriculum, from Psychology to college Advanced Placement courses, is designed to give a conceptual knowledge of history while keeping up with present-day problems of interest and importance.

Small classes held in the computer room provide individual attention and direct experience with working the computer. A section on computer programming is now included in many of the regular math courses.

Innovations in teaching methods include continuous progress and team teaching, which allows students to progress at their own rate. The Massachusetts Mathematics Olympiad Test is given in the fall. This year Bruce Johnson and Joe Marinelli were finalists while Daniel Baltin, Paul Eklund, and Derrick Wong

SCIENCE

Physical Science, Biology, Chemistry, and Physics all have both traditional and modern approaches. Laboratory experiments have been expanded to allow the student to discover basic principals for himself, rather than take some authors word for them. Occasional field trips prove that there are industrial uses for many of the seemingly impractical topics that are covered. The Science Department is constantly sending students to conferences and assisting them in various local and national contests. It also sponsors the Astronomy and Photography Clubs.

WHERE IN THE WORLD?

In the modern world the role of the Language Department is becoming increasingly important. The study of foreign languages and customs not only helps us understand other cultures, but also gives us a better perspective of our own. The Language Department offers excellent instruction in French, Spanish and Latin. It also arranges many field trips, from the viewing of foreign films to tours of European countries, and sponsors the French and Spanish Clubs.

Industrial Arts activities are primarily exploratory in nature until the student acquires more specialized training in industrial vocational education. The objectives are centered around the areas of production, consumption, and recreation; and the students are given contact with a wide range of industrial processes, materials, and equipment. The basic areas of work in the program are: woodworking, metal-working, electricity, electronics, crafts, and, in the field of graphic science, machine and technical drawing, architectural drafting, and descriptive geometry.

The Business Department prides itself on the expertise acquired by its students and the fine reputation it maintains in the eyes of the business and educational community.

NATIONAL HONOR SOCIETY

Officers, left to right: Eva Johns, treasurer; Derrick Wong, president; Robert Case, vice-president; Judith Howard, secretary.

Miss Judith Bolles
Adviser

The Westwood Chapter of the National Honor Society has long been merely a prestige organization. This year, the members intend to start anew and make the Society an active organization. This was begun by the election of mixed junior and senior officers; Derrick Wong, president, Bob Case, vice-president, Judy Howard, secretary, and Eva Johns, treasurer. The induction was marked by a new oath and a new program of music soloists plus a panel discussion. The topic for the panel, "Does the educational system prepare students in the four qualities of the National Honor Society?" With this question in mind, the National Honor Society will set out to use their qualities of leadership, scholarship, character and service to the best of their ability.

ANNOUNCEMENTS

This year brought about a set of new voices conveying the morning and afternoon announcements. A group of volunteer students, under the guidance of Mr. Richard Morrison, now delivers the messages over the P.A. This service was begun in order to arouse more of an interest in the announcements, to increase student participation in the running of the school and to remove some of the work from the office and administrators.

Announcements, left to right: Bero, Hamilton, Monac, Pendleton, Veno, Skarinka, Marinelli, Whalen, Reese, Fitzpatrick, Thomasello.

PEP CLUB

The sale of green and white Wolverine cushions was only one of many projects of this year's Pep Club, a group of students out to raise school spirit beyond all expectation. The sponsorship of buses to and from the games and the sale of Westwood buttons were other successful projects carried out by these enthusiastic students. Joyce Frasca, director and driving force of the Pep Club, made sure the halls were filled with posters supporting our teams.

Without a doubt the Pep Club organization greatly boosted school spirit in '70-'71.

The basic goal of the World Affairs Club is to arouse student interest in current problems throughout the world. The faculty advisor, Mr. Shreve, guided the students in their preparation of a survey which dealt with world problems and situations. The major purpose of this survey was to involve the town in a school based activity and develop community interest on the part of the students. This year, the World Affairs Club instituted Simsoc, or, Simulated Society at the proposal of Mr. McCoy.

FRENCH CLUB

Among the many activities of French Club this year were lectures, slide-viewings, the presentation of French skits, and a pot-luck French dinner. A visit to a French restaurant in Cambridge brought a highly successful year to its conclusion. French Club officers were Alison Shamlian, Joan Wayshville, and Marion Stuntzner. Mrs Gean was the club's faculty advisor.

Their secretarial expertise is displayed through such projects as the Community Scholarship Fund and the many notices and announcements distributed throughout the Westwood schools. Field trips to various business establishments are also a part of the club's activities.

FOLK CLUB

The initial aim in the formation of the Folk Club was the enjoyment of listening to folk music. The performing aspect was a natural outgrowth of that goal. Now the popular, informal choral group, which performs at concerts, is well established.

Folk Club, left to right: Kalfopulous, Stephenson, Tyler, president; Lothrop, McGinnis, Bernardo, Kirby, Andrews, Cappello, Tuells, Bero, Hinchman, Porter, Nelson, Johns, Curran, Zagami, Neilson.

MADRIGALS

At the beginning of this year, senior Susan Pendleton had the idea of organizing a small "a cappella" group of senior and junior girls to sing some of the old English songs known as "madrigals". This group has since performed in the Christmas and Spring Concerts, and before many church groups.

BAND AND ORCHESTRA

Mr. Markarian's famous Marching Band convinced the people that half time was worth waiting for at football games. The band could not have gotten along without the guidance of its officers: President Brian Ecclestone, Secretary Irene Kalfopulos, Librarians Beverly Lothrop and Kathy Harding. In winter, the Concert Band worked towards their exchange concert with Plainville, Connecticut. Come spring, the Band marched in the Memorial Day Parade and performed for other festivities. Meanwhile, the Orchestra played at the Christmas Assembly and, to highlight the year, had an exchange concert with Newport, Rhode Island. They could not have performed in these functions without the services of their president, Susan Pendleton, secretary, Beverly Lothrop, and librarians Heather Madge and Judith Howard. Select members of these groups participated in the District and All-State Concerts.

GIRLS' GLEE CLUB: First Row Left to Right: Kalfopoulos, Stuntzner, Ricci, Bertazzani, Abbate, Devlin, Mr. Markarian. CHORAL GROUPS

Westwood again showed its outstanding talent as it featured the Double Quartet, Boys' and Girls' Glee Club and Chorus in its annual Christmas and Spring Concerts. Mr. Markarian again showed his talented background by overwhelming large audiences with these fine choral groups. Selected members from these choral groups participated in the District and All-State Concerts.

The Drill Team is a part of the marching band consisting of 25 girls. Under the leadership of Captain Janice Mahoney, they performed intricate formations and creative half-time shows such as the Greek dances and the ritual Thanksgiving Day routine. Their lively appearance at all the football games added much to the school spirit.

COLOR GUARD

The Color Guard, led by captain Gayle Nicoll, added both festivity and formality to the half-time activities of this year's football season. Creative routines and twirling rifles were the reward for long hours of practice. This year, while retaining the two twirlers, the Guard was enlarged by four flag bearers, bringing the total membership to ten.

CHEERLEADERS

Let's give a cheer for the cheerleaders, led this year by Captain Linda Wakefield and Co-captain Patricia Casey, and advised by Mrs. Bergen. These girls deserve great praise for their hours spent cheering for the football and basketball teams, a dinner given for the team, and a resounding pep rally.

This year the hockey games were again livened by the performance of a group of cheerleaders formed two years ago expressly to cheer on the hockey team.

These two groups of girls have undeniably helped rouse school spirit, and have most likely contributed a good share in many a victory.

1970 SEASON

The pigskin team started slowly but finished strong under the guidance of Coach Edward Marx, who was admired by all. Assistance from coaches Raymond Kodzis and John Marretti greatly aided the progress of the team.

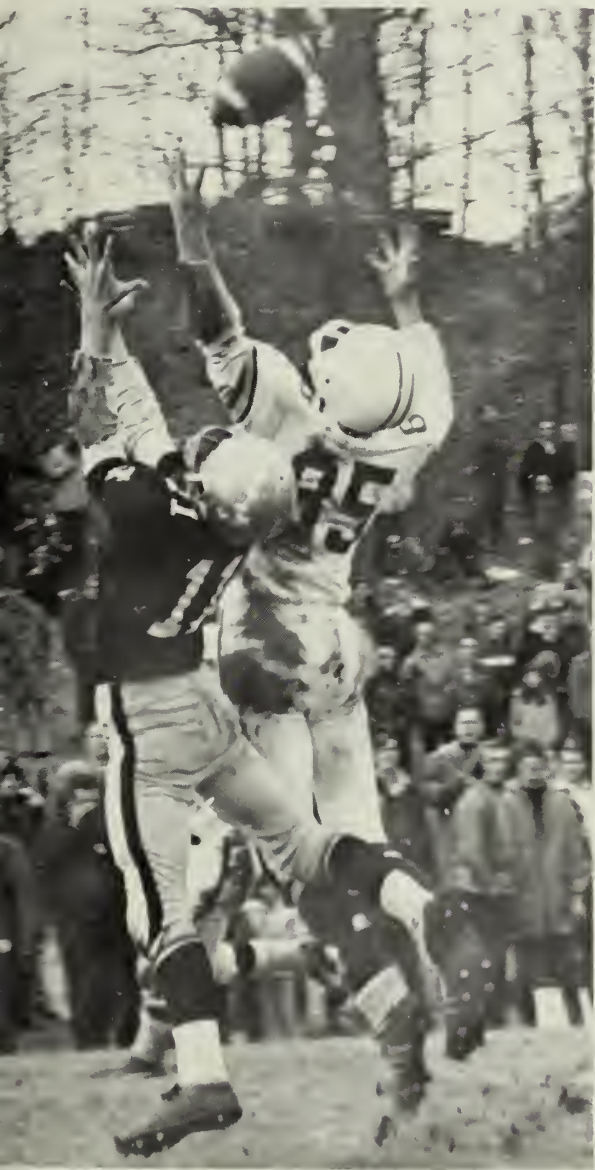

Co-captains Jim LaFontaine and Keith Manchester played determined football. LaFontaine was selected to play in the Dual County League All-Star second unit.

The team started off the season by losing their first five games, a factor being the injury of fullback Chip Boyle during the Bedford game.

In their sixth start, the gridiron eleven tied the league's defending champions, Weston, with a score of 6 — 6. A tricky catch by Bill Sheehan of a Mark Reddish pass was coupled along with the defensive play of the "Manchester Line" to pull a major rabbit out of the magical season.

In the next game, after trailing Seekonk 28 — 6, "Redeye the Magnificent" threw three touchdown passes to put Westwood ahead 30 — 28. Unfortunately, the spell broke in the fourth quarter resulting in a Seekonk victory.

During the Turkey Day clash, the Wolverines stuffed the Warriors of Lincoln-Sudbury, 6 — 0. Reddish's pass to Rick Thompson was the key to the only victory of the campaign. After the game, the team left the field happy with the win and hopeful for next year.

BASKETBALL

Front: Coaches Staddleman and Thwing. Back: MacGrail, Reese, Sheehan, Swann, Croak, Fitzpatrick, Whalen, Wilfinger.

For the first time in eleven years, the Westwood Varsity Basketball Team failed to capture a berth in the Tech Tournament. The team finished with a respectable 12 — 8 record.

Coach Gail Thwing's team provided many happy moments for the basketball buffs. Captain Rich Croak, assisted by high-scoring seniors Fred McGrail and John Fitzpatrick, led the team to victory in the first half of the season. The steady play of Bill Sheehan and Mark Wall, along with Rick Swann's excellent shooting, brought the team to an 8 — 2 record at mid-season.

In the second half of the season the breaks began to go against the team. A series of injuries to key players and the great flu epidemic of 1970-71 cost the squad a few games.

On the JV's Chris Jarvis and Brian O'Kane led Westwood to a 17 — 3 record and the Dual County League Championship. The frosh team also had a successful season under the tutelage of Coach Vallencourt.

The hopes for next season are quite high and may another ten-year dynasty begin under Captain Rick Swann.

HOCKEY

The Westwood Hockey Team skated through a rebuilding season this year under freshman coach George Carroll. The team was a very young one, consisting essentially of sophomores.

Although the final tallies were not in the Wolverines' favor, the ice sextet provided many thrills for the faithful followers from Westwood.

The desire shown by seniors Doug Benner (co-captain), Scott Bertazzoni, Paul LaCerde, Neil Patterson, and Eric Anderson were inspiring to the younger members of the club. It is the game of these younger members, led by co-captain Rick Thompson, that will form the nucleus of next year's team.

Strong in Slalom

SKI TEAM

The 1970-'71 Ski Team was guided and directed by new coach Mr. Theron Shreve, assisted by Janet Siegle and Douglas Whitley, co-captains.

This year's team had a wide range of ability, but everyone put forth his best efforts for the team. Although weaker in cross-country, the team proved to be quite strong in slalom. The final standing for the year was fifth out of the ten teams competing, thus out-doing last year's record by a large margin.

FIELD HOCKEY

Despite their unsuccessful record, the Varsity Field Hockey Team displayed a strong team effort. Betty Glacy and Jan Rushton were the captains of this hard working team.

The Junior Varsity, led by captains Lynne Joyce and Peggy Fitzpatrick, had a record of two wins and eight losses. There were many outstanding players who will be returning next fall.

WINTER TRACK

The Westwood trackmen sped to a fine 5-2 season this year in Dual County League action. The team finished in third place and set many new records this year.

Coach Flaherty's team was captained by Charles Boyle. Co-captains Robert Case, James Lafontaine, and Robert Webster also provided fine leadership.

The team, weakened by the 'flu, lost a close meet to Acton mid-way through the season. The other loss was to the League Champion Wayland team. The Westwood team made a valiant effort, but the Warriors won the title of best team in '70-'71.

Among the records set were senior Jim Lafontaine's 4.6 second mark in the forty yard dash and sophomore Jim Kelly's 10:07 mark in the two-mile. The highlight for the team came in the State Meet. when Bob Webster tied the Class D record with a 53-foot 9-inch throw to finish first in the shot-put event. Webster later upped the school record to 54 feet, 5 inches.

GIRLS' BASKETBALL

The Girls' Basketball team had another disappointing season this year despite the high scoring efforts of Robyn Pitchford and Marion Frasca. This year the team was under the direction of Miss Richardson and led by captains Janet Sullivan and Robyn Pitchford.

The Junior Varsity, led by captains Judy Coleman and Barbara Tobin had a record of two wins and eight losses.

The coach, Mrs. Vane Grube, was pleased with the new team's enthusiasm and development. Having six freshman members, the team shows much promise for the future.

Senior Representatives: Front left to right: Hamilton, Whalen. Back: Bishop, Cianfrocca, Griffin, Rossetti, Fierens, Reese, Sheehan.

STUDENT COUNCIL

This year the Student Council attempted to break away from their traditional image of being merely a social organization. Greater communication between representatives and students was emphasized; internal revision precipitated the abolition of requirements for holding an office, and others in hopes of obtaining a more diverse and involved representation. Some of their accomplishments included the initiation of interest courses and an increase in the number of informal study halls.

Student-Faculty Forum

STUDENT-FACULTY FORUM

The newly formed organization of the Student-Faculty Forum was comprised of students and faculty as voting members and members of the administration as non-voting members. This body, which was fed from the Faculty Senate and the Student Council, investigated and advised on some of the pertinent problems facing the school such as the open campus concept, pass-fail courses, and the corridor pass system. This hard-working body has helped to lay the groundwork for many of the changes that will take place in our school during the next few years.

Student-Faculty Forum: Seated left to right: Mr. Case, Mr. Walsh, Mr. Kodzis, Joan Potter, Maureen Smith, Miss Strachan, Sarah Hamilton, John Fitzpatrick. Standing Mr. Hancox, Rick Swann, Mr. Beurman, Mike Porter, Rich Huber, Ken Berkland, John Carroll, Mr. Burke, Mr. Flahive, Tim Reese, Bob Whalen, Mr. McCoy.

Ground Breaking

The Groundbreaking ceremonies for the newest addition to Westwood Senior High School were held Friday, April 16, at 9:30 A.M. The proceedings took place directly outside the main lobby of the school. Representatives of the student body, the administration, the building committee, the architectural firm, and the construction company were centered around a model of what the completed school is to look like. Along with the Student Council, representing the entire student body, those present were: Robert Whalen, president of the Student Council; Tim Reese, co-chairman of the Student-Faculty Forum; Derrick Wong, president of the National Honor Society; Janet Sullivan, secretary of the senior class; Frank Brown, president of the junior class; John Carroll, president of the sophomore class; David McGinnis, president of the freshman class; Dr. John Tobin, Superintendent of Westwood Public Schools; Mr. Duane Kocina, Principal of the High School; Mr. J. L. Marshall representing J. L. Marshall & Sons Inc., the contractor; Mr. E. J. Rempelakis representing E. J. Ledesco Associates, Inc., the architect; Building Committee representatives Mr. Calvin Cobb and Mr. Arthur Chapin; and Mr. Leo Crowe, Assistant Superintendent of Business Affairs.

The model of the entire school, showing in detail the addition, was constructed by industrial arts students Larry Clark, Mark Young, Bob Case, Warren Perkins, Ed Izbickas, Richard Gilbride, George Voltz and Dennis Landry under the supervision of Mr. Joseph Chicetti, Industrial Arts Director. Mike Swiek photographed, and Mr. Thomas Lyman videotaped the ceremony.

The affair was to officially commence the construction of the new \$5.2 million addition to the school which will include new core facilities, a new physical education department, including an indoor swimming pool, a new cafeteria, a new science wing, a new library, new industrial arts and music departments, and a new administration — guidance — health wing.

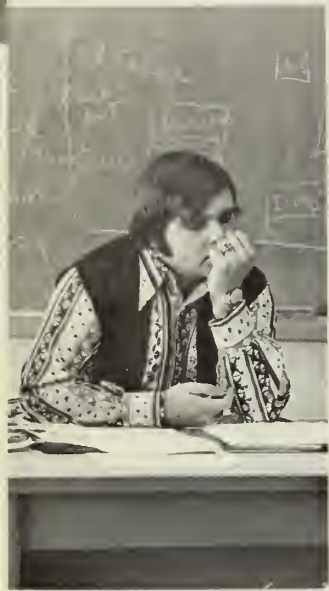

The traditional Groundbreaking with golden shovels was done by Mr. Marshall and Bob Whalen.

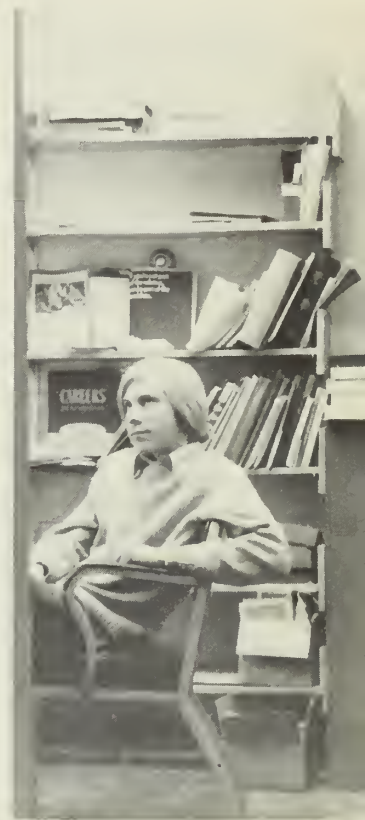

Following a brief introduction by Mr. Kocina, Bob Whalen addressed the guests as a speaker for the entire student body. He felt that the people of Westwood should be congratulated for voting to start work on our new addition immediately.

"The students all feel the need for more flexibility and more variety in school activities. This addition will give us the space to develop in many areas," he said. Bob also noted that although the present juniors and seniors will have graduated before the addition is completed, many future classes will benefit tremendously from it.

CLASS HISTORY

As we pushed open the heavy orange doors of Westwood High School, every freshman looked apprehensively toward the future. We weren't sure whether we were opening Pandora's Box or entering Alice's Wonderland.

Actually, our school life proved to be a combination of both. We were caught up in the excitement and novelty of the high school, yet were utterly confused over schedules, classroom numbers and upperclassmen. In time we became used to the new routine. After deeply intellectual speeches by all candidates, we elected our freshman officers: Billy Sheehan, president; Brian Bishop, vice-president; Patty Hurley, secretary; and Patty Casey, treasurer. They took charge as we sponsored our first High School dance on Valentine's Day. Freshman boys and girls both realized the social position of freshmen when we were ignored by upperclassmen at our own function. We could hardly wait for the day when we would be seniors.

With the newness gone, but surely not the excitement, we entered our sophomore year. In October we held our Halloween dance, which proved to be a great success and provided a great deal of work and enjoyment. Our class officers this year were Maryanne Spinello, Brian Bishop, Janet Sullivan and Patty Casey. As the year progressed, our class emerged as one with enthusiasm and ambition. On a rainy day in November, many members helped collect toys in the Student Council sponsored "Toys for Tots" campaign. Steven Otis received second prize in the science fair — a tremendous honor for a sophomore. Karen Skarinka was chosen Drum Majorette and led the Westwood High School Band during half-time at a Patriots football game. Not only were classmates developing musical ability, but our Junior varsity basketball team won the Dual County League title.

The responsibilities of our junior year struck us quickly and with class dues, college boards, the class dance and the prom, we didn't have enough time to enjoy the status of being upperclassmen. However, our class officers, Bob Whalen, Janice Mahoney, Janet Sullivan and Patty Casey, led us steadily through the toil.

The year of 1969-1970 proved to be a year of riot and rebellion throughout the college campuses of America. Westwood High School rose to the demands of change in her own way. She developed a more liberal trend in her thinking and after a great deal of hard work on the part of the Student Council, the traditional "Dress Code" was dropped, providing the school with a more relaxed atmosphere. The desire for "harmony and understanding" was reflected in the theme of our prom "The Age of Aquarius." The gym was transformed into a kaleidoscope of colors and images. It was a sight to behold when after many weeks of hard work, especially on the part of art director Mike Paolucci, we could finally relax. The capable chairmen for the prom were Marcia Rossetti, Maryanne Spinello and Gayle Nicoll. 1970 was a big year for basketball as Fred McGrail and Rich Croak helped to guide the Wolverines into the semi-finals of the Tech Tourney, and the J. V. team went undefeated in the Dual County League.

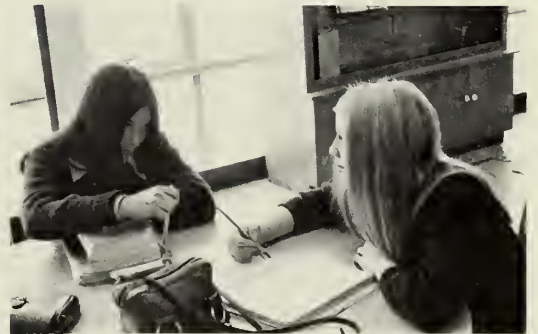

Those heavy orange doors opened a little easier in September of 1970, with perhaps an extra squeak or two. We had finally made it! At last we were seniors. But wait a minute. There were more college boards and achievement tests to be taken. We now felt the pressures of acceptance at colleges and universities. We also took note that the prom had nearly drained our treasury of the funds needed for graduation. Finance clicked in the minds of our class officers, Brian Bishop, Maryanne Spinello, Janet Sullivan and Patty Casey, and after failing in a dance and a karate exhibition, we finally landed a success with our class play, "Up the Down Staircase".

The Student Council laid the groundwork for a possible future open campus and installed a Coke Machine affectionately nicknamed, "Duck", in the cafeteria.

Musically, the Westwood High School band and orchestra held highly successful exchange concerts in Newport, R. I., Maine and Connecticut. Individual talent was more widely recognized as many students were chosen to perform in District and All-state groups as well as taking part in the American Youth Performs concerts at Symphony Hall.

On the sport scene, Fred McGrail was chosen to play on the first team of the Dual County All-stars. Jim LaFontaine broke all winter track scoring records and big Bob Webster honored us all by becoming the Class D state shotput champion.

Perhaps most importantly, we all unified into the Class of 71 and there'll be a little sadness in us all when those orange doors that we pushed and kicked for four years shut behind us for the last time.

*"Walk Together, Talk Together,
O Ye Peoples Of The Earth;
Then And Only Then
Shall Ye Have Peace"*

To Betty -

In September you were merely a sheet of paper and a 2" by 2" picture. Throughout the year you have become much more to us all - a friend who loves and understands, and is always ready to help when help is needed, and much more, a true and loving sister to me.

A tough adjustment to most became a simple game to you. Friendly and extremely outgoing, with your bubbly exuberant character, you were concerned and interested in everything. Your simple "Hi!" became a happy greeting to all, something that brightened everyone's day. To fellow students and faculty you became known as "Betty Belgium" or "Crazy Belgian," an expression of our love and friendship for you. The adventures and excitement we have shared together will remain always as a remembrance of our wonderful year together.

*Betty, this is not good-bye,
but until we meet again. À bientôt,
Janet*

*We've reached the interim
between
the past
and
the rest of our lives.*

*We've come to the confusion
now concerned with
Where
we are going—
how to get there.
What's right?
Are we going the wrong
way?*

*People say tomorrow—
tomorrow is our chance
but
We've learned that there
are no
guarantees.
We've learned how sometimes
there's no more
to hopes
than talk.*

*We've felt the trying only to end up
in wait.
We've seen the giving up—
and we'll be quick
remembering
these disappointments.*

*But what about the people?
—the true substance of life—
—the exposure to them.
Realizing others
have their own—
own purpose
own ideas
own meaning.
This learning how to
listen and accept
is our
most precious gift of
knowing.*

*So now — we take it from here—
not simply a beginning
nor — just an end
but
which way?
on the road to completeness.*

"Up the Down Staircase"

On April 1 and 2, the senior class presented the stage adaptation of Bel Kaufman's comedy best-seller, **Up the Down Staircase**. Brilliant in starring roles were Judith Conrad as the young, idealist Sylvia Barrett, teaching her first class; and Brian Bishop as the bright but antagonistic Joe Ferone, who proved to be Sylvia's biggest challenge. Only slightly less challenging were a faculty steeped in absurdity, a love-sick student, and a "pupil load" dedicated to the proposition that all teachers deserve to be driven insane. By the end of the show it was obvious that our class had an abundance of talent and, whatever else it might lack, plenty of ham.

Senior Class Play, Committee Chairmen, Front: Left to Right: Sarah Hamilton, Student Director; Janet Siegle, Business Manager. **2nd row:** Karen Dion, Tickets; Doug Whitley, Stage Crew; Betty Glacy, Prompter; Barbara Ricci, Make-up. **3rd row:** Mary McKeough, Prompter; Michael Paolucci, Set Designer; Sue Carrigan, Props; Brian Bishop, Assistant Set Designer; Dorothy Barden, Refreshments; Doug Benner, Stage Crew. **Missing From Photo:** Patty Casey, Assistant Student Director

We were thrilled and proud, presenting our play before an actual audience — and a little nervous, especially before two more-than-capacity crowds. But most of the work, the fun and the memories were behind the scenes. For the Class of '71, "the senior play" will always mean hours spent on props, scenery, lights, sound effects, publicity, tickets, programs, refreshments, make-up, prompting, directing and rehearsing and rehearsing and rehearsing. The play itself belongs partly to the audience; the preparation is all ours.

Janet Siegle, publicity; Douglas Benner, stage crew; Patricia Casey, assistant student director; Michael Paolucci, scenery.

YEARBOOK

Well, maybe not quite — but not for lack of trying. And now, looking back on our efforts of the past year, we on the yearbook staff find we have so many people to thank for their help and interest: Mr. Flahive, for his patience, inspiration, and never-failing good humor; the faculty and custodians for their cooperation (and admirable self-control through countless harrowing days of picture taking; the office staff; and so many more than we could possibly mention individually. But also, and perhaps most of all, we have to thank each other, for both the personal and the cooperative efforts which put this yearbook together.

All in all, it has been a busy, sometimes hectic — but well worth-while year.
